**15,000 POUNDS  
MEAT A MINUTE  
GOING TO ALLIES**

**One Hog Out of Every  
Four Being Sent  
Abroad.**

Shipments of meat have been going to the allies for some time at the rate of 15,000 pounds a minute. As the shipments are kept up during a ten hour day they amount to 3,000,000 pounds daily. The meat goes to soldiers of the United States and the allies and to the civilian population of all the countries at war with Germany.

—Chicago Tribune, June 5, 1918

These statements were made by a prominent representative of the United States Food Administration.

No industry in the country has played a more important part in helping to win the war than the American livestock and meat-packing industry.

Swift & Company alone has been forwarding over 500 car loads of meat and meat products per week for overseas shipment.

### ONE WEAK SPOT

Many Union People Have a Weak Part and Too Often It's The Back

Many people have a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aching keeps up, day and night. Backache is often from weak kidneys.

In such case a kidney medicine is needed.

Doan's Kidney Pills are for weak kidneys.

For backache and urinary ills. Union people recommend the remedy.

Miss Beatrice Hughes, 103 W. Main St., Union, says: "I was troubled with a dull aching in my back and my kidneys were not acting right. At times the pains were so smart and my head ached so, I thought my head would split. I often had nervous spells and dizziness and my kidneys caused me much annoyance. I got a box of Doan's Kidney Pills at the Palmetto Drug Co., and I certainly can say they relieved me. I am going to continue using them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Hughes had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## SQUEEGEE TREAD TIRES

### The Survival of The Fittest

DIAMOND Squeegie Tread Tires are now the only standard brand tires on the market made with handsome Black Tread and Red Sides.

Others, imitating Diamond in color combination, have failed to pass the strenuous tests of quality demanded by actual service. They imitated color only—Diamond quality they could not duplicate.

Thus always with imitations!

Motorists who drove on Diamonds in 1917 and previous years demand Diamond mileage again in such numbers that our factories are taxed to capacity.

For "Better Than Average Mileage at Less Than Average Cost," see a Diamond Distributor.

## Uncle Sam Has Called

I Am Willing to Heed His Call and To Do My Best For The Country.

I am under necessity turning my business over to others to conduct during my absence.

I feel sure that the liberal patronage given me during the past four years, will be continued in my absence. My business will be in charge of JAMES VALOS and HARRY CARNOVOS.

Your trade will be appreciated. If I live to get back, I will be on the job again.
